Subject: Notice of File Closure, Wright Masonry and Sons, Manila Stone Quarry, S/009/0006, Daggett County, Utah

Dear Mr. Wright:

The referenced Notice of Intention to Commence Small Mining Operations (NOI) will now be closed and the files retired. On October 26, 2011, the Division of Oil, Gas and Mining received notice from the School and Institutional Trust Lands Administration (SITLA) that the lease was cancelled. SITLA has done a site visit, and the Division agrees that the site had not been disturbed.

The Division never received a reclamation surety for this proposed operation and never issued final approval. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new NOI to the Division and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Leslie Heppler at (801) 538-5257. Thank you for your patience.

Sincerely,

Paul B. Baker
Minerals Program Manager
